SUICIDE OF A JAP.

He Hangs Himself in Fowler's Yard - Had Some Money.

The dead body of a Japanese named Matsumoto was found early this morning suspended from a railing on a staircase in Fowler's yard. Captain Scott had the body taken down and brought to the Station. Dr. Cooper made an examination and found death to have been caused by strangulation. Matsumoto used a sash, such as Japanese wear, to hang himself. He must have been hanging all night. There is nothing known of the man except that he intended leaving by the S. S. Nanshan to-day for Yokohama. In the suicide's clothes was found \$2.75. Among other things found at his lodgings was \$70, so that it is evident the man did not commit suicide on account of poverty. An inquest was held at noon to-day and a verdict of death by strangulation was returned.

BLIGHT FIGHTERS.

Exchanges of Useful Parasites Between Here and Abroad.

Commissioner Marsden received by the Australia, on ice, from Alexander Craw, State entomologist of California, a colony of the cynipid lady bird. They were transferred, still on ice, to the steamer Kinan for transport to the Oahu coffee plantations. This species of the lady bird is the natural enemy of a microscopic spider, with the appalling name of tetranychus telarius, which makes the coffee leaves wilt. By the Australia Mr. Marsden will send to California thousands of the cryptine mites, which have had gratifying success in these islands in ridding coffee and citrus trees of insect blight. There is a constant exchange of antidotes for plant diseases and insect blights going on between the Hawaiian Bureau of Agriculture and similar institutions abroad.

Ringed Noises

In the ears, sometimes a roaring, buzzing sound, are caused by catarrh, that exceedingly disagreeable and very common disease. Loss of smell or hearing also result from catarrh. Hood's Sarsaparilla, the great blood purifier, is a peculiarly successful remedy for this disease, which it cures by purifying the blood.

Hood's Pills are the best after dinner pills, assist digestion, prevent constipation.

Henry Wilson, the postmaster at Walshton, Florida, says he cured a case of diarrhea of long standing in six hours, with one small bottle of Chamberlain's Colic, Cholera and Diarrhea Remedy. What a pleasant surprise that must have been to the sufferer. Such cures are not unusual with this remedy. In many instances only one or two doses are required to give permanent relief. It can always be depended upon. When reduced with water it is pleasant to take. For sale by all dealers. Benson, Smith & Co., Agents for the Hawaiian Islands.
